B. Community Support

CTCF administers monies donated by our donor clients into Funds - like Donor Advised Funds - which have both direct and indirect benefits for the community.

The *indirect* benefits of a DAF are actually *direct* benefits for other types of organizations/Funds we support, such as Donor Designated Funds (DDFs). [CLICK HERE and go to page 2](#) to see how CTCF **SAVES hundreds of thousands of dollars** each year for local nonprofit groups.
